INTERCITY SERVICES

I. FOREIGN EXCHANGE SERVICE

A. General

Foreign exchange service is exchange service furnished to a customer from an exchange other than the one in which he is located and served.

Foreign exchange service is not in accordance with the general plan of furnishing telephone service and will be furnished only under special conditions where the service is warranted by the circumstances and if satisfactory arrangements can be made where a connecting company is involved.

The Company is not obligated to furnish such service, particularly where it involves undue expense or impairment of the service furnished the general public.

B. Provision of Service

Customers having foreign exchange service are subject to the rates, rules and regulations of the exchange from which such service is provided. All local service provided the customer other than the foreign exchange service is subject to the rates, rules and regulations contained in this Local Exchange Tariff of the Company.

C. Application of Rates

Applicable tariff rates cover only normal conditions where all necessary facilities are available. If facilities are not available and unusual expenditures are involved in their provision, the customer shall be required to pay an additional charge to cover the unusual expenditure or enter into a contract for service beyond the initial period or both.
